

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

October 11, 2011

On Thursday, March 24, 2011, Philip Williamson, 29, was found lying in an alley in Long Beach suffering from what would become a fatal gunshot wound. The victim was from the Chico California area and was known to distribute marijuana to local Southern California dispensaries. The victim could have had up to \$500,000 dollars and several pounds of marijuana in his possession when he was killed.

No one has been arrested in this case and detectives have no leads on a suspect. Investigators believe it would be beneficial to offer a reward in this case, which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime. They can remain anonymous.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer of a \$10,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
